ODD SEMESTER | EVEN SEMESTER

STUDENT EXCHANGE PROGRAM

Dedicated to all students of Telkom University partners, we're pleased to invite you to an exchange program at Telkom University. Student exchange is an implementation of cooperation between Telkom University and other partner universities all over the world which allows the students of university partner to study here for a short-term period (1 semester or 2 semesters). Exchange students may earn certificates and credits from Telkom University. This program is reciprocal based on the agreement between Telkom University and partner universities. Students are normally enrolled in 3-6 academic courses or equal to 9-20 credits. The courses for Odd Semesters starts in September and the courses for Even Semesters starts in February.
