

LEADING THE
DIGITAL FUTURE

**BUSINESS,
ACCOUNTING
& MANAGEMENT**

WELCOME TO MMU!

At MMU, we are dedicated to cultivating the digital leaders of tomorrow, just like you. Our university has a dynamic and vibrant community, offering you an intellectual adventure to uncover your true potential and make a difference in this world.

Education is a powerful tool for transformation, empowering individuals to achieve their biggest dreams. We firmly believe that there is "U in MMU," and that's why the 'U' (you) element is vital in this institution. Your distinct energy and perspective will enrich our community to drive us forward.

With a wealth of opportunities for learning and growth, MMU is where your journey to success begins. Embrace the spirit of discovery, explore our offerings, and unleash your potential as a future digital leader.

Join us at MMU, where "U" are at the heart of everything we do. Your journey towards greatness starts here!

I wish you all the best. May you find the success that you are seeking.

Thank you.

Prof. Dato' Dr. Mazliham Mohd Su'ud
President & CEO
Multimedia University

BUSINESS, ACCOUNTING & MANAGEMENT

If MMU is the university for you to pursue a degree in business and accounting. MMU offers award winning, practical and industry-ready degrees that prepares you to be competent and outstanding in your career in business.

We seek to empower our students with expertise and knowledge, and are committed to offer programmes in a global context to enhance your depth and perception for successful careers in the business, government, and non-profit sectors.

Both our Faculty of Management and Faculty of Business incorporate industry-led curriculum so you will gain not only technical knowledge and skills, but also relevant soft and management skills. Many of our lecturers are professionals and specialists in their fields who will be able to impart real-life experience and solutions to your learning.

We also have strong collaborations with global industry leaders who are ready to share their knowledge of cutting-edge innovative technologies to keep you up-to-the-minute with current and future industry needs.

Awarded **Best Institution Award** at the Anugerah Keusahawanan KPT 2023

Faced with the challenging demands of a knowledge-based economy, business and management degrees from MMU will definitely hold you in good stead for the future. The unique blend of management fundamentals and knowledge technologies conducted in collaboration with SAP University Alliances, along with a commitment to nurturing an entrepreneurial mindset and independent thinking, will help you meet global industry expectations.

RESEARCH-LED INDUSTRY-DRIVEN UNIVERSITY

Due to its unique niche as a research-led industry-driven university (RIU), MMU currently has the privilege of serving as one of the nation's leading talent incubators. The university takes immense pride in nurturing and growing students in the digital talent pipeline into competent and responsible members of the workforce, who collectively support both TM's and the nation's growth areas.

The 10 growth areas are Fixed Mobile Convergence (FMC)/ Mobile Content Play, New Convergence growth, SME Digital Ecosystem, Cyber-Security, Smart Services Cloud, Submarine Cables, Content Delivery Network (CDN) dan Data Centre.

Well-rounded Education

Be empowered with the fundamentals of your field of study that also incorporate entrepreneurial skills and expertise which are relevant to your respective industries and job markets.

Industry on Campus

Be connected and gain benefit from our state-of-the-art labs established by our industry collaboration with ZTE, HUAWEI, Microsoft, Intel and many more.

Ready for Industry

Be enthused with Start-up Schemes from the Entrepreneurship Development Centre (EDC) and nurture your entrepreneurship mindset.

We offer programmes which are tailored to the industry's needs.

We produce graduates who are setting new standards in Malaysia's industries. Among our successful alumni are Mohd Nizam Abd Razak (the creator of BoBoiBoy, who has boosted the animation industry in Malaysia), Muhammad Usamah Zaid Yasin (Founder & Executive Director of Wau Animation that produces Ejen Ali), Tan Aik Keong (Director of Agmo Studio, a multi-award winning mobile app development company), Ko Chuan Zhen (CEO and co-founder of Plus Xnergy, a multi-award winning clean energy company in Malaysia) and many more.

PREPARING GRADUATES TO BE INDUSTRY READY AND VERSATILE

Gaining Industrial Experience Via I-CADET

The i-Cadet Programme is an initiative of MMU's Industry-University Partnership Programme, which aims to groom students into industry-ready graduates from the moment they began their degree programmes.

Through this initiative, MMU students would be groomed into industry-ready graduates tailored for their industries of choice. The programme will match students with suitable companies, and then, via a series of meetings and projects, would provide them with the actual working environment within their chosen company.

Developing Well Balanced Graduates Through PERMATA DUNIA PERSONA

MMU is deeply involved with the proper development and realization of human capital potential, as this would enable the university to satisfy the needs of the industries for capable manpower.

Our goal is to produce well-balanced graduates of good character that possess desirable qualities, such as having empathy, sensitivity, creativity, readiness, and resilience, as well as having sufficient technical competence. Such graduates from MMU are referred to as our Permata Dunia, and we are confident that such personages would become capable future leaders for their nation as well as their communities.

We contend that MMU is the best place for student development as we continually strive to bring out the best in each student; we imbue in them with deep knowledge of their respective fields of expertise via lectures, co-curricular activities, development initiatives, and lifestyle choices. MMU is fully committed to making every student's time in the university the best time of their lives.

Expanding Horizon With BYOC

Build Your Own Curriculum (BYOC) is a concept to enable students to imbue additional value into their graduation qualifications so that, upon completion of their studies, they would have better chances of having a career path that is not just financially rewarding, but also fulfilling.

The key to BYOC is allowing students to build curriculum in a guided and yet flexible way. Students may stack up courses based on the free elective slots they have, or by choosing a collective minor package offered by the faculties.

Fostering Future Entrepreneurs through eCadet

Our university is dedicated to nurturing dynamic and resilient student entrepreneurs, empowering them to become founders of high-value startups. Through the eCadet initiative, students will receive early exposure and invaluable insights into the realities of the business world and its ecosystem.

They will have the opportunity to cultivate professional networks, receive expert guidance, and enhance their startup skills by connecting with startups, companies, agencies, and accelerators.

A VIBRANT AND CONDUCTIVE CAMPUS LIFE

- Convenient and comfortable accommodation – on-campus and off-campus
- Intelligent and high-tech labs
- Digital libraries
- Set studio and post-production suite
- Over 100 clubs and societies
- Extensive infrastructure – campus-wide Wi-Fi, health clinics, mosques, 24-hour security, food & beverage outlets and more
- Comprehensive Sports Centre – track & field, indoor sports arena, gym as well as an olympic-sized swimming pool

PERMATA DUNIA TAKES ON THE WORLD

MMU promotes critical thinking and authenticity of ideas. Its emphasis on coaching and research activities helps achieve breakthrough in building digital capabilities, communication and leadership skills to prepare students for the job market. I am fortunate that 20 years ago, I studied in a campus well equipped with Internet connectivity, digital libraries and supportive educators who constantly coach us in team work, information analysis and effective presentation of ideas. This gave me a head start in my career.

Lim Wei Ling

*Bachelor in Business Administration [Hons.]
(Management with Multimedia 2001)*

*Head, Digital Transformation
Gamuda Berhad*

What I have achieved today disproves the perception that local graduates are less employable than overseas graduates. I truly believe that the experience and exposure that I have gained during my time in MMU has contributed to shape the person I am today. I am proud to be a graduate of MMU.

Sharifah Sarah Syed Mohamed Tahir

Bachelor of Accounting [Hons.] 2003

*Chief Business Officer, Group Institutional Banking
Bank Islam Malaysia Berhad*

Programme Offered at FACULTY OF MANAGEMENT Cyberjaya Campus

Sprawled over 808,440 square metres and housing 28 academic and support buildings, our Cyberjaya campus is home to the Faculty of Management.

FOUNDATION IN MANAGEMENT

(R2/010/3/0192) 06/24 (A9589)

The Faculty of Management meticulously designed its Foundation in Management programme to provide the necessary fundamental skills in management, finance and business. These skills prepare our foundation students to be more adaptive when they embark in our various Bachelor programmes in accounting, economics, management, marketing, finance and enterprise management. The Foundation in Management is a one-year foundation programme, the preferred pathway to undergraduate studies.

PROGRAMME STRUCTURE FOR FOUNDATION IN MANAGEMENT

Note: The above programme structure serves as a guide. Courses may differ according to intakes.

BACHELOR IN ACCOUNTING (HONS.)

(R2/0411/6/0071) 06/26 (A10454)

Accounting is the language of business, and accountants help business leaders make smart financial decisions. The Bachelor in Accounting (Hons) is a three-year programme that is recognised by the Malaysian Institute of Accountants, which will enable graduates with the relevant professional working experience to qualify as a Chartered Accountant Malaysia or C.A. (M). It provides students with the knowledge and skills required to become professional accountants, including digital and entrepreneurial skills. The programme is infused with A'adab®, or the values expected when one is dealing with others and the environment, which is introduced in the Halatuju 4 Program Perakaunan published by Malaysian Institute of Accountants. The programme was designed to provide the breadth of knowledge relevant to the discipline and also impart significant values upheld by the accounting profession. With the transition from a 4-year to a 3-year study duration, MMU is committed to ensuring the following exemptions from professional bodies are maintained:

- Institute of Chartered Accountants in England and Wales (ICAEW)- 8 papers out of 15 (with up to 12 papers via strategic credits)
- Chartered Institute of Management Accountants (CIMA)- 8 papers out of 16 or CIMA CGMA FLP - 3 exams to go
- Association of Chartered Certified Accountants (ACCA)- 9 papers out of 13
- Certified Practising Accountants (CPA Australia)- direct entry to CPA programme
- Malaysian Institute of Certified Public Accountants (MICPA)- direct entry to MICPA CAANZ Qualifying Programme
- The Malaysian Institute of Chartered Secretaries and Administrators (MAICSA) - up to 3 out of 7 papers
- Chartered Tax of Institute of Malaysia (CTIM) - up to 5 out of 8 papers

Career Prospects: Professional accountants that may specialise in taxation, forensic accounting and investigation, auditing, management accounting, financial accounting, government accounting, and accounting information systems.

BACHELOR OF ANALYTICAL ECONOMICS (HONS.)

(R2/314/6/0002) 02/22 (A7921)

The Bachelor of Analytical Economics (Hons.) integrates economic theories, econometrics analysis and business analytics in decision making. Students in this programme will be able to construct various econometrics models for analysis and decision making. This is a degree that has significant hours for quantitative and programming subjects, hence making our graduates Big Data Ready.

This three-year economics programme allows students to choose their track of study, either in development or financial economics. Students have the option to choose any four, out of five courses, from within the chosen track.

BACHELOR OF FINANCE (HONS.)

(R2/343/6/0105) 06/24 (A10480)

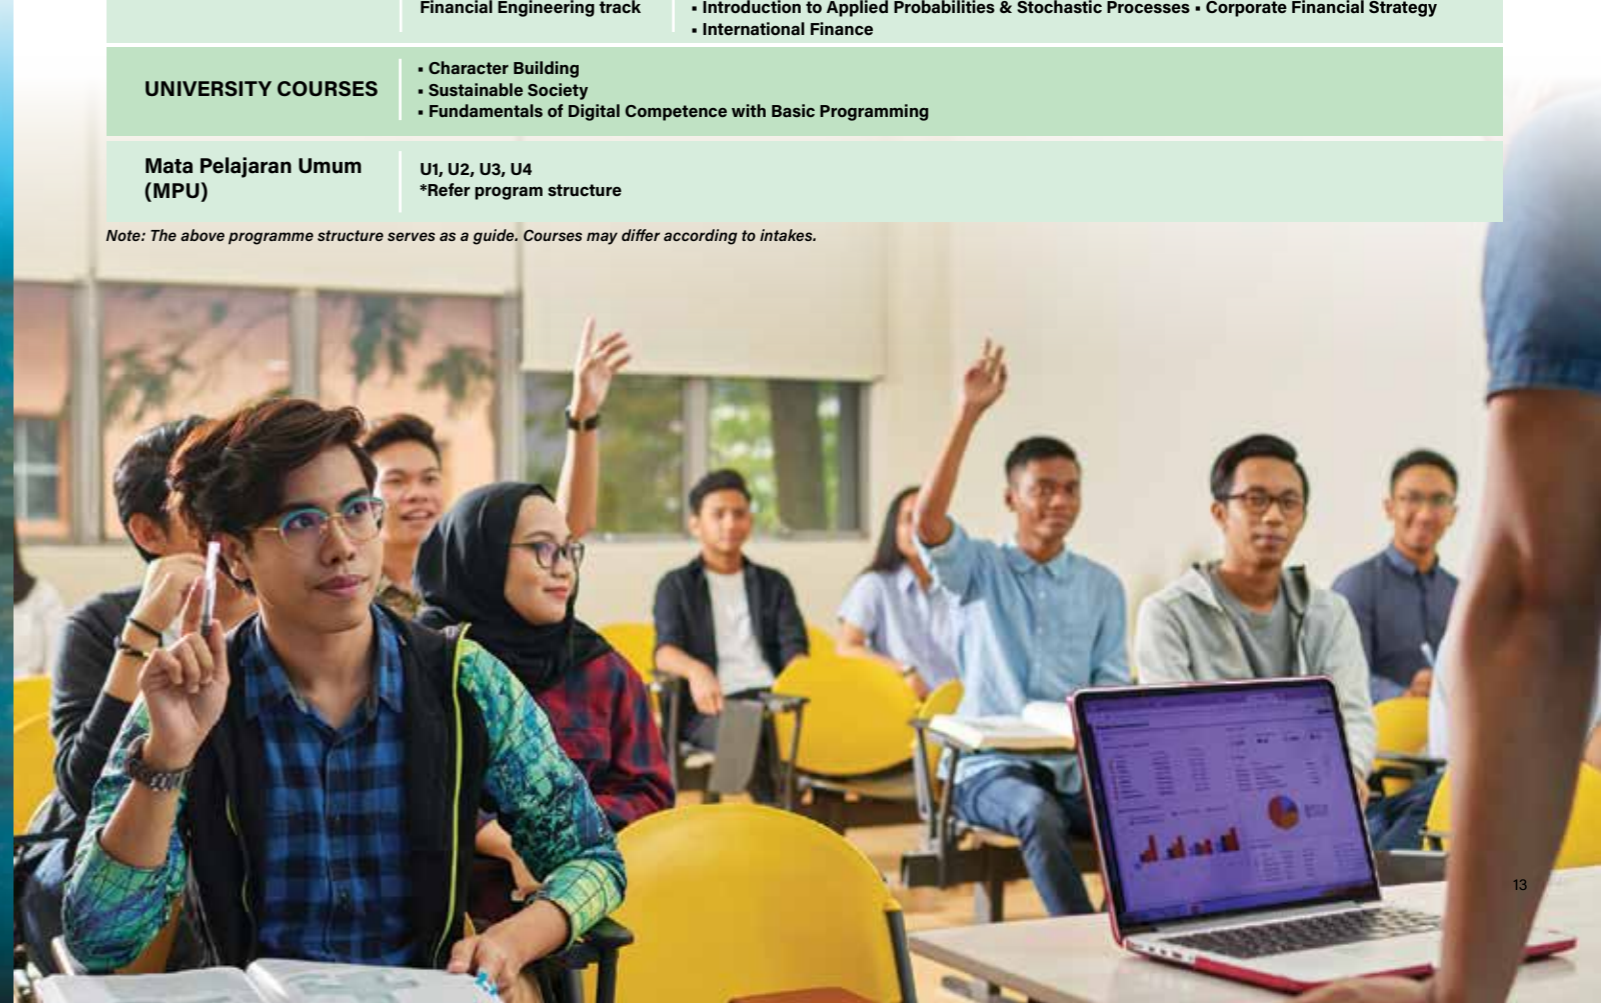

Finance professionals help organisations manage assets, acquire resources, make investments, and plan for future growth. The Bachelor of Finance (Hons) combines academic rigour with practical financial skills to give you a head start in pursuing a thriving career in finance. The three-year programme equips students with in-depth finance knowledge, critical mindset, and analytical skills to work in the rapidly changing globalised marketplace and dynamic FinTech industry. The distinctive curriculum is designed by leading academics at the forefront of each discipline with input from the industry. The programme is supported by a group of highly qualified and enthusiastic academics with extensive experience. The experiential learning model is further enhanced with industrial engagement, practical training and active use of financial software and database such as Bloomberg.

Career Prospects: Executives and managers for banking, insurance, finance, investment, manufacturing, education, consultancy, financial analyst, planners, adjustors, and international trade.

BACHELOR OF MARKETING (HONS.)

(R2/342/6/0100) 09/24 (A5315)

This specialised degree program emphasises both conventional marketing theories and digital applications which are required by most industries in the market today. Students that complete this program will be equipped with the knowledge and skills necessary to navigate the competitive world waiting for them. By the time they graduate, students of this program will have the ability to handle the intricate challenges of modern digital marketing.

Conventional marketing theories taught in this course prepare students to understand the foundations of marketing while developing their skills to identify target markets, design marketing strategies and optimise various communication tools. This, added with the many digital based subjects offered to them, produces students with a holistic educational experience and comprehension that will be valuable across multiple industries.

Confidence, enthusiasm, competence and proficiency of modern day marketing tools are soft skills that the students of this program will attain through the numerous presentations and practical applications that are embedded in this program.

Career prospects: Marketing Manager/Executive, Social Media creator/administrator, SEO executive/specialist, Marketing analyst, Content marketer, Digital strategist, Product Specialist/Executive, Brand Manager, Public Relations Executive, Corporate Communications Executive and many more.

BACHELOR IN ACCOUNTING (HONS.)

(R3/0411/6/0072) 03/29 (MQA/FA2052)

Accounting is the language of business, and accountants help business leaders make smart financial decisions. The Bachelor in Accounting (Hons) is a three-year programme that is recognised by the Malaysian Institute of Accountants, which will enable graduates with the relevant professional working experience to qualify as a Chartered Accountant Malaysia or C.A. (M). It provides students with the knowledge and skills required to become professional accountants, including digital and entrepreneurial skills. The programme is infused with A'adab®, or the values expected when one is dealing with others and the environment, which is introduced in the Halatuju 4 Program Perakaunan published by Malaysian Institute of Accountants. The programme was designed to provide the breadth of knowledge relevant to the discipline and also impart significant values upheld by the accounting profession. With the transition from a 4-year to a 3-year study duration, MMU is committed to ensuring the following exemptions from professional bodies are maintained:

- Institute of Chartered Accountants in England and Wales (ICAEW)- 8 papers out of 15 (with up to 12 papers via strategic credits)
- Chartered Institute of Management Accountants (CIMA)- 8 papers out of 16 or CIMA CGMA FLP - 3 exams to go
- Association of Chartered Certified Accountants (ACCA)- 9 papers out of 13
- Certified Practising Accountants (CPA Australia)- direct entry to CPA programme
- Malaysian Institute of Certified Public Accountants (MICPA)- direct entry to MICPA CAANZ Qualifying Programme
- The Malaysian Institute of Chartered Secretaries and Administrators (MAICSA) - up to 3 out of 7 papers
- Chartered Tax of Institute of Malaysia (CTIM) - up to 5 out of 8 papers

Career Prospects: Professional accountants that may specialise in taxation, forensic accounting and investigation, auditing, management accounting, financial accounting, government accounting, and accounting information systems.

BACHELOR OF BUSINESS ADMINISTRATION (HONS.) (BANKING AND FINANCE)

(R2/343/6/0001) 05/21 (MQA/FA1997)

This three-year programme prepares students with the skills necessary to meet the business demands of today and the future. The curriculum provides a solid business core that includes an extensive background in banking and finance and the functional business areas. It also equips students with skills in handling financial products, product development and working within the global banking and finance industry.

The programme is included in the CFA Institute University Affiliation Programme as it embeds a significant portion of the CFA Program Candidate Body of Knowledge (CBOOK) - including the Code of Ethics and Standards of Professional Conduct into the curriculum. An affiliated University signals to their students and to employers that the curriculum is closely tied to the practice of investment management and is helpful to students preparing for the CFA® Programme exams.

Career Prospects: Financial Manager, Credit Analyst, Loan Officer, Branch Manager, Trust Officer, Financial Analyst, Investment Advisor, Financial Planner, or even as a Business Owner.

BACHELOR OF BUSINESS ADMINISTRATION (HONS.) (INTERNATIONAL BUSINESS)

(R2/340/6/0111) 03/22 (MQA/FA2053)

Students enrolled in this three-year course will delve into the world of business management from a global perspective. They will gain an understanding of contemporary global business issues and practices, as well as national differences in political economy, culture, legal and regulatory frameworks, global trade, monetary and investment environments, strategies for global operations, international marketing, and human resources. The programme includes international business competitions, exhibitions, excursions, talks, forums and debates, training, international exchange programs, and opportunities for work placements at multinational corporations and industry-related research projects. By incorporating various industry-related activities, this program transforms students into true global citizens comfortable working and adapting to different cultures and environments.

A wide range of institutions and corporations worldwide value the skills and knowledge provided by this program, whether they are multinational corporations, inter-governmental and non-profit organizations, or emerging local corporations with prospects for global expansion. Our formidable list of alumni is made up of graduates serving these institutions locally and abroad.

Career Prospects: Managers and executives in multinational corporations; business owners; analysts, advisors, and specialists in banking and financial services; logistics; import-export management; production and operations; international marketing; HRM; and other service-oriented professions.

BACHELOR OF BUSINESS ADMINISTRATION (HONS.) DIGITAL BUSINESS MANAGEMENT

(R2/345/6/1050) 06/22 (A7961)

Bachelor of Business Administration (Hons.) Digital Business Management programme is crucial to succeed in the future artificial intelligence driven workforce. This programme equips students with essential IT, business, marketing and management skills in shaping strategic direction for digital business transformation. Students are exposed to essential business analytics skills which are crucial for making rapid and accurate decisions in a hyper-competitive digital business world. This programme allows students to be exposed to cutting-edge web and mobile technologies to gain competitive advantage from artificial intelligence driven digitalization wave.

This programme offers courses that are SAP-certified and Microsoft-certified. SAP is a world-recognized Enterprise Resource Planning software certification, which is essential for the digital transformation of traditional business. Microsoft certification demonstrates to future employers that graduates from this programme are proficient in the specific real-world skills associated with digital business management roles.

This programme puts classroom learning into practice through I-cadetship. Academic lessons and I-cadetship will be complemented with real-life case studies, field trips, competitions, first-hand information from guest speakers and interactive teaching approaches that maximise learning outcomes.

Students would be guided by industry practitioners to solve problems that digital companies face. Through industrial attachment, industry-based assignments and industrial final year projects, students would be well prepared for better communication with business correspondence. Upon graduation, students of this programme would be able to play a significant role in decision making to develop strategic digital business practices, redesign and streamline digital business management processes for the digital transformation of the organizations.

Career Prospects: Digital Communication Specialist, Digital Marketing Specialist, Digital Sales Manager, Digital Business Consultant, Project Manager, System Developer, Technology Manager, Chief Information Officer, Business Intelligence Analyst, Knowledge Analyst, Digital System Developer, Enterprise Portal Developer, Data Analyst, Web Developer, Mobile Developer, Digital Content Creator, Social Media Analyst.

DIPLOMA IN BUSINESS ADMINISTRATION

(R2/345/4/1045) 08/22 (A7819)

This programme is designed to equip students with a comprehensive understanding of key business concepts and skills, preparing them for a wide range of roles within the business world. Within the two years programme, it provides students with a solid foundation in core business principles, including finance, marketing, management, economics and information technology.

Throughout the programme, students also gain hands-on experience through case studies, projects, and simulations, allowing them to apply theoretical concepts to real-world business scenarios. This practical approach enhances their problem-solving and decision-making skills. The curriculum provided is designed to align with current industry trends and demands, ensuring that students acquire skills that are highly relevant to today's dynamic business environment.

While Industrial Training is an optional opportunity for students, it undoubtedly offers them the chance to apply their skills in a real-world setting. This experience unquestionably sets them apart in the job market.

The programme often facilitates networking events, workshops, and guest lectures by industry leaders. Building connections within the business community is crucial for future career opportunities, and these events provide a platform for students to interact with professionals.

At the end of the programme, students emerge as inspired and innovative graduates, fully equipped to meet the challenges of a highly competitive global environment. After completion of the diploma programme, students can opt for a related degree programme from either the Faculty of Business or Faculty of Management, except for the Bachelor of Financial Engineering (Hons.)
